TWO MEN WERE FORCED TO EMBARK ON A DANGEROUS ESCAPEDE...WHICH ONLY ONE COULD SURVIVE!

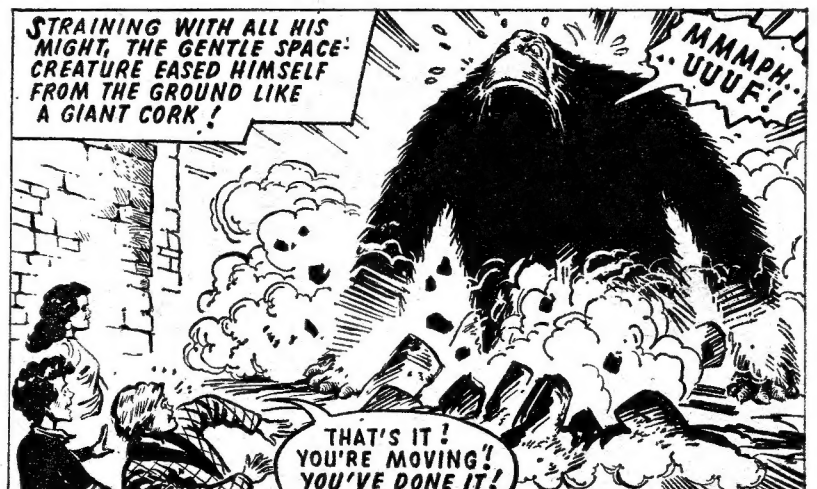

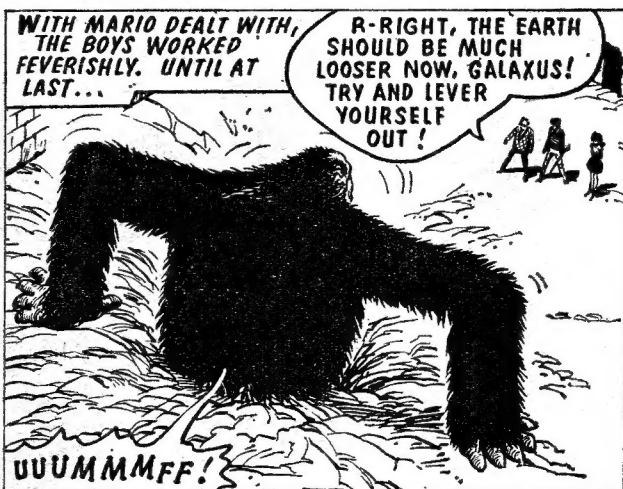

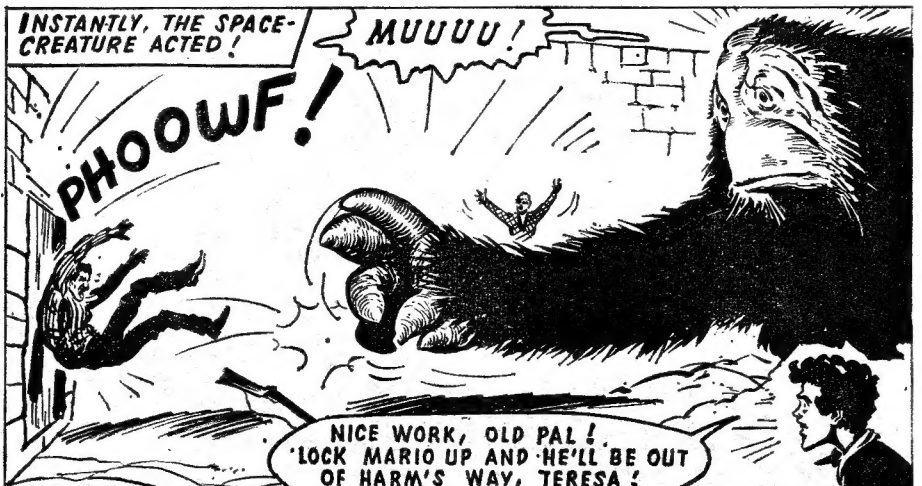

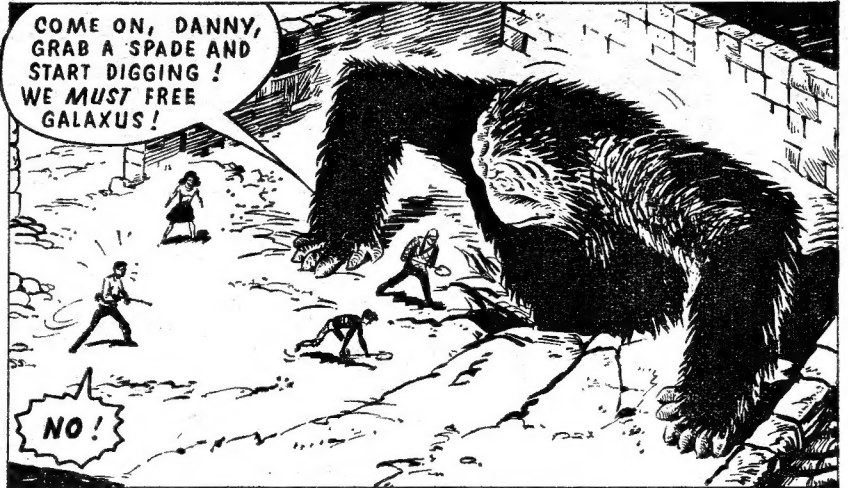

GALAXUS

THE THING FROM OUTER SPACE

A space-creature known as Galaxus had been marooned on Earth and was now being hunted throughout the world. In Sicily, Galaxus and Jim and Danny Jones clashed with Toni and Mario Carlotti, two brothers who had kidnapped Teresa, a local peasant girl. Then, while Galaxus was jammed tight in an old well, Teresa's father arrived and challenged Toni to a duel...

ONE GENTLE BLOW FROM GALAXUS WAS ENOUGH TO END A GUNMAN'S RESISTANCE!

...FOUR.. FIVE..
SIX..!

A-AT THE
COUNT OF-A TEN
THEY DIVE! OH,
QUICKLY.. QUICKLY!

REALISING THE DANGER, GALAXUS MADE A FINAL,
FRANTIC SPRINT FOR THE GORGE— AND HIS OUT-
STRETCHED FINGERS
CLAWED WILDLY
TO TRY AND
GRAB THE GRIM-
FACED MEN...

BUSHES, JIM AND HIS BROTHER
STARED ACROSS THE HILLSIDE
IN DISMAY...

CLIFF'S GIVING WAY!
ROLL AWAY FROM
THERE, GALAXUS!
MOVE!

C-CREAKK!

BUT THE CRY WENT UNHEARD.
DAZED BY HIS FALL,
THE GIANT CREATURE
SLIPPED OVER THE
EDGE...

MUUUHH!

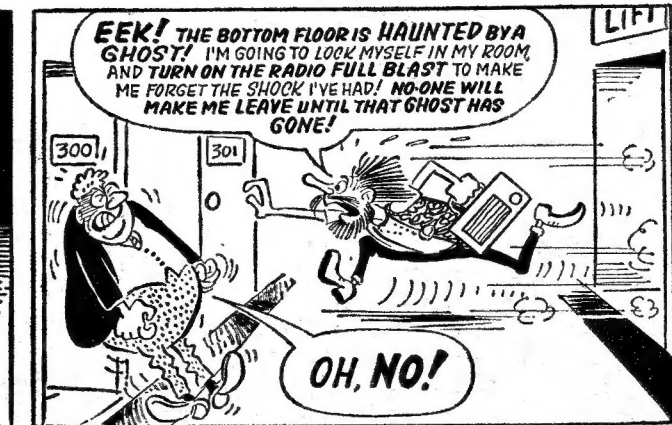

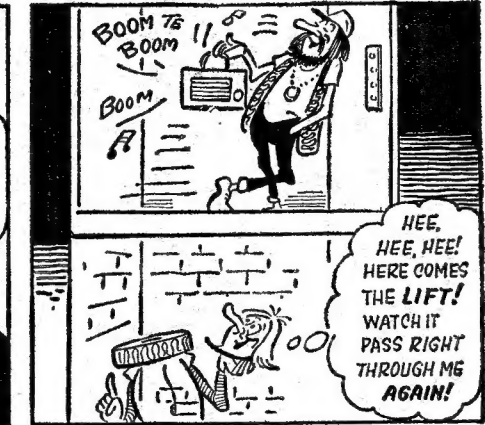

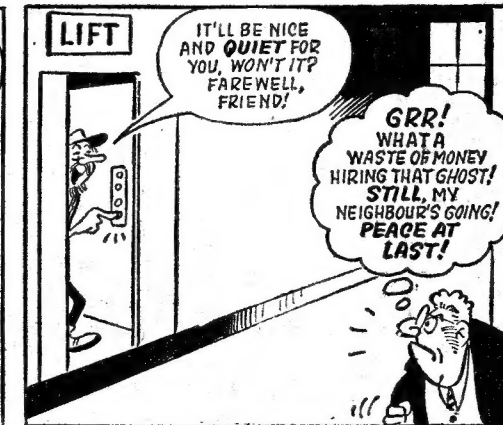

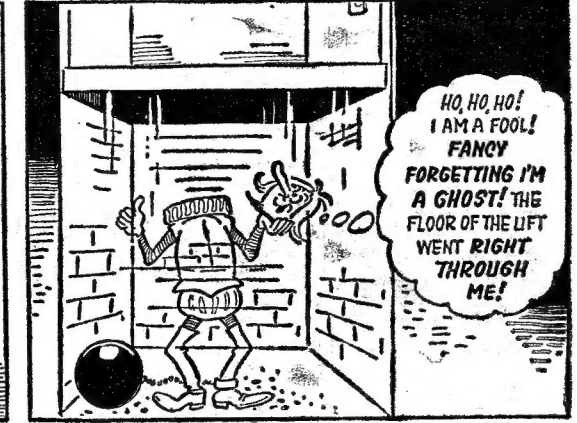

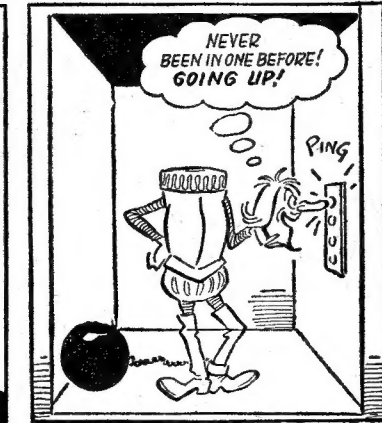

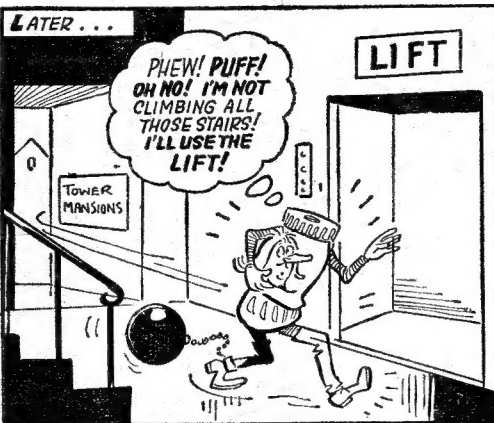

OH, G-GOOD GRIEF!
GALAXUS HAS LANDED
HEAD-FIRST IN THE
RIVER!

THE GORGE IS
TOO NARROW FOR HIM
TO TURN RIGHT WAY UP!
NOTHING CAN SAVE
HIM NOW!

BUSTER'S BIRTHDAY CLUB

WOW! I'm still sorting through the hundreds of entries to last week's "CLUB COUNT" competition! I've got lots to check yet, but I'll keep at it, and have those super Giant Jigsaws in the post to the 50 clever winners as soon as possible. The winners' names will be published on Club Page.

In the meantime, I've rounded up a whole pageful of fun and excitement, so carry on, chums!

Your old pal, *Buster*

FROM YORKS...

Introducing David Pugh, above, who hails from Doncaster. David is 14, and his interests include football, cricket, fishing—and reading BUSTER.

This is Stephen Wood, below, aged 10, who hails from Wakefield. He is a keen fisherman, and is also interested in collecting model vintage cars.

6th DECEMBER, 1958

28th JULY, 1959

22nd FEBRUARY, 1962

14th AUGUST, 1961

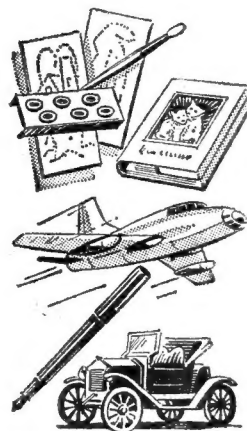

17th, APRIL, 1960

1st OCTOBER, 1957

CHECK those dates, chums, 'cos if the exact day, month and year of your birth is listed, and providing you sent in to join the Club before **Monday, 19th May**, you can choose any one of the awards shown on the right. They are: **Oil-Painting-By-Numbers Set, Writing Folder, Model Aeroplane Kit, Fountain Pen or Model Vintage Car Kit.**

When you've made your choice, write it on a postcard with your full name, address and date of birth. Then mark your card "**BIRTH DATE GAME**" in the top left corner (address side) and post to reach the Club address by **Thursday, 5th June**. Overseas members have until **23rd October** to send in their replies.

Please remember, you cannot win a Birth Date Award if you have received one previously. Dates are sometimes repeated, but this is only for the benefit of newcomers to the Club.

WELL, STONE ME!

ANDREW KENNEDY, a Club member who lives in Bradford, has an unusual hobby—he collects stones from well-known places. "I have some fine samples of granite from Aberdeen, the 'Granite City' of Scotland," he writes, "and also some very shiny, black and white stones which I collected on Salisbury Plain during a holiday last year."

"I would like to get samples of stone from all over the United Kingdom, especially from Ireland and Wales, but I suppose I shall have to wait until I'm old enough to travel around by myself."

Your hobby sounds a very interesting one indeed, Andrew... are there any more Club members who have unusual collections? If so, we'd like to hear from you!

MORE WINNERS!

HERE is the latest batch of entries to still enter this contest, chums... just write your ambition (the more amusing the better) on a postcard with your full name, address and date of birth. Don't forget to print "**AMBITIONS**" in the top left corner of the address side. There's a smashing prize for every one we print!

Christopher Massy, of Thornton Heath, wants to become a deep sea diver when he grows up, "so that I could bring up old copies of BUSTER!"

Hudds member, Christine Gorthorp, says her ambition is to be a hairdresser. "I would only cut children's hair," writes Christine, "and only children who read BUSTER. Then I would be able to read it over their shoulders while they were in the barber's chair!"

Kenneth Roberts, of Wigan, would like to become a clock-mender. "Because," he writes, "I am already an experienced clock-watcher, and I never get alarmed if I find myself with too much time on my hands!"

ZOO-KEEPER HILARY!

HERE'S a letter from another collector—but **Hilary Apps**, who hails from Stonegate, isn't interested in rocks. She collects pets! "We started off with 12 rabbits," writes Hilary, "and pretty soon a stray cat joined us. Then my grandmother gave us a dog, and my uncle left some lizards with us. Not long after, we managed to acquire still another dog. I bought myself a budgie and my brother became interested in mice breeding. For Christmas, I was given two more budgies by friends, and my little brother came home one day with a slow-worm which he still has!"

"To make matters worse, who do you think was chosen to look after the school hamster? You've guessed it—me!"

DAFFYNITIONS

HAVE you sent your "daffynitions" in yet? If not, get cracking! You'll win a prize if we print them!

MUSHROOM A room where Eskimos train their dogs. From **John Wright**, Fareham.

HORSEHAIR A rabbit with a sore throat. From **Simon Shaw**, Leigh.

GREENGROCER One who is new to the business. From **David Woolman**, Leicester.

RUGBY An insect that lives in the carpet. From **Shirley Masterson**, Ipswich.

Write your daffynitions on a postcard, with your name, address and date of birth. Print "**DAFFYNITIONS**" in the top left corner (address side) and post to the Club address.
